

PLEASE SUPPORT THE COBOURG HIGHLAND GAMES!

Dear Friend,

The Cobourg Highland Games Festival is an annual celebration of Cobourg's deep-rooted Celtic heritage and is one of the community's longest running events, attracting highland dancers, bands, heavy event athletes, clansmen and Scottish enthusiasts from all over Ontario and upper New York State.

In 2008 the Cobourg Highland Games suffered a severe financial blow due to extreme weather conditions. However, in 2009, thanks to the generosity of the residents of our community, I am pleased to tell you that the Games are back on firmer footing. Once again, we are appealing to the community for financial support to ensure that this event continues to be enjoyed by residents and visitors alike for many years to come.

We are asking you to consider becoming **"A FRIEND OF THE GAMES"** by making a \$50 donation. With each donation you will receive:

- Two complimentary admission tickets to the 2010 Highland Games at Donegan Park on Saturday, June 26th and the Ceilidh pub night and strongman contest on Friday, June 25th.
- Recognition in the official Cobourg Highland Games program.
- A tax receipt for \$30.

For further information on how you can help the Games, please contact Margaret Foster at 905 373 4166. Thank you for your consideration.

Sincerely,

Ed Carman
President of the Cobourg Highland Games Society
